

Brightside is successful because of you!

- Brightside's NatureScape grant program funded beautification projects for 24 neighborhood and non-profit groups all over the Metro area.
- Your gift of \$500-1,500 could endow the entire cost of one NatureScape grant request for a deserving community group.
- Brightside's Green Tie Bash engaged the young professional community in our mission, raising \$10,000 for downtown beautification efforts.
- Your gift of \$500 will purchase a large flower pot for the downtown corridor, plant material for the pot, and cover the maintenance expense for one year.
- Nearly 6,000 volunteers worked to clean up over 32 tons of trash from Louisville's streets, sidewalks, and green spaces during the 2008 Spring Community-Wide Cleanup.
- Your gift of \$250 will provide more than 250 volunteers with cleanup supplies, enabling them to collect more than a ton of litter from our streets.
- Almost 500 youth participate in our Youth Summits annually, providing them with an opportunity to discuss practical ways to make their school greener, and interact with community leaders and elected officials.
- Your gift of \$100 will sponsor one class's attendance at the Youth Summit.
- Brightside has recently replanted 100,000 bulbs to ensure the iconic daffodils in Spaghetti Junction will continue to herald the coming of spring to all who pass by.
- Your gift of \$50 will plant more than 150 daffodil bulbs in public spaces.
